DESCRIPTION

Chalet with privileged location in Finestrat

This chalet is located in a privileged location in Finestrat. On one side, it borders the Alfanelles de la Tapiada river; in the background rises the emblematic Puig Campana mountain, and in front is the Puig Campana golf course. Additionally, it is only a 5-minute drive from the beach of Benidorm.

Magically situated between the mountain and the sea, this chalet is a true paradise for those seeking tranquility and enjoying outdoor sports. It also stands out for its proximity to the La Marina shopping center and the Terra Mítica theme park.

The exclusive residential area it is integrated into offers a high level of privacy and uniqueness thanks to:

- A single entrance and exit to the complex.
- A perimeter defined only by the Alfanelles de la Tapiada river, the surrounding pine forest, and the internal streets, ensuring exclusive access for owners.
- Homes designed and built with pre-installation for security cameras and alarm systems.
- A low building density that allows each home to naturally integrate into the privileged environment surrounding it.

In addition, the residential area offers:

- Author-designed homes with different typologies.
- Private pools and finishes in local stone.
- Exceptional natural brightness and optimal energy efficiency.
- Perfect integration between indoor and outdoor spaces, where nature and comfort meet the most innovative design.

Sustainability and energy efficiency are a priority, incorporating aerothermal systems and solar energy to ensure high energy performance throughout the year.
