DESCRIPTION

Luxury Apartment in Alfaz del Pi

Alfaz Essence is much more than a housing promotion in Alfaz del Pi: it is a project designed to enjoy the Mediterranean in all its splendor. Its 123 apartments combine spaciousness, brightness, and comfort, with large terraces, communal gardens, and a pool where you can relax in a tranquil and well-kept environment.

Each home makes the most of natural light thanks to large windows and modern layouts with open-concept kitchens. There are 1, 2, and 3-bedroom typologies available, with the two-bedroom units being the most numerous, designed for both those looking for their primary residence and those wishing for a second home or a functional space to work from home.

The complex features common areas designed for the whole family: pool, green areas connecting the blocks, playground, and private parking for added convenience and security. Its location, between the sea and the mountains, allows for being just a few minutes from the beaches of El Albir and Altea, as well as the natural park of Serra Gelada. Additionally, it offers proximity to supermarkets, schools, health centers, and a very active international community.

Sports enthusiasts will find here a privileged environment, with clubs, trails, and cycling routes of great appeal. And thanks to its excellent communication with Benidorm and other towns on the Costa Blanca, Alfaz Essence becomes the perfect opportunity to start a new life surrounded by nature, comfort, and beauty.
